

**IN THE MATTER OF THE SECURITIES ACT, R.S.N.S. 1989, C. 418,
AS AMENDED (the Act)**

AND

**IN THE MATTER OF THE CANADIAN INVESTOR PROTECTION FUND
VARIATION AND RESTATEMENT OF APPROVAL ORDER
(Section 151 of the Act)**

WHEREAS the Nova Scotia Securities Commission (the Commission) issued an order on February 28, 2007, having effect from September 11, 2002, as amended September 30, 2008, approving the Canadian Investor Protection Fund (CIPF) pursuant to section 27 of the General Securities Rules, as amended (the Previous Order);

AND WHEREAS the Commission has determined that it is not prejudicial to the public interest to issue an order that varies and restates the Previous Order to amend Schedule A and add Schedule B to modify the terms and conditions of the CIPF's approval;

IT IS ORDERED, pursuant to section 151 of the Act, that the Previous Order be varied and restated as follows:

**IN THE MATTER OF THE SECURITIES ACT, R.S.N.S. 1989, C. 418,
AS AMENDED (the Act)**

AND

**IN THE MATTER OF THE CANADIAN INVESTOR PROTECTION FUND
APPROVAL ORDER
(Section 27 of the General Securities Rules)**

WHEREAS:

1. Pursuant to subsection 27(1) of the General Securities Rules, every dealer shall participate in a compensation fund or contingency trust fund that is approved by the Commission and established by a self-regulatory organization or by a person or company approved by the Commission;
2. The Canadian Investor Protection Fund (CIPF) is approved as a compensation fund under subsection 27(1) of the General Securities Rules, as amended;

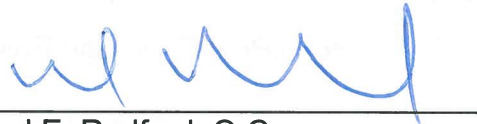

3. The CIPF was originally established by its sponsoring self-regulatory organizations (SROs); currently, the Investment Industry Regulatory Organization of Canada (IIROC) (formerly the Investment Dealers Association of Canada (IDA)) is the CIPF's only sponsoring SRO that carries on member regulation activities in respect of dealers that participate in the CIPF;
4. The Commission has recognized IIROC as an SRO under subsection 30(1) of the Act;
5. The CIPF, the IDA, The Toronto Stock Exchange Inc., TSX Venture Exchange Inc. and Bourse de Montréal Inc. entered into an agreement dated December 14, 2001 (Original Industry Agreement), pursuant to which the CIPF, among other things, provides certain financial compliance oversight of these entities and financial examination of members of these entities;
6. IIROC became a party to the Original Industry Agreement as of June 1, 2008;
7. The parties to the Original Industry Agreement terminated and replaced the agreement with an agreement between the CIPF and IIROC as the sole SRO (Industry Agreement) that reflected the realignment of their respective regulatory roles and responsibilities, including the elimination of the CIPF's SRO oversight role and member examination functions;
8. The Industry Agreement contemplates that other SROs may become parties to the Industry Agreement (together with IIROC, Participating SROs);
9. Pursuant to the Industry Agreement, the Participating SROs must levy assessments on their members (Member Firms) and the Participating SROs must pay to the CIPF the amount of these assessments;
10. The CIPF previously entered into a Memorandum of Understanding (the Previous MOU) with all of the members of the Canadian Securities Administrators (CSA). All of the members of the CSA have withdrawn from the Previous MOU and have concluded amongst themselves a new Memorandum of Understanding (the MOU) regarding their oversight of the CIPF;
11. The CIPF provides protection on a discretionary basis to prescribed limits to eligible customers (Customers) of Participating SRO Member Firms suffering losses if Customer property comprising securities, cash and other property held by such Member Firms is unavailable as a result of the insolvency of the Member Firm and, in connection with such coverage, will engage in risk management activities to minimize the likelihood of such losses (CIPF Mandate); and

12. Based on the application of the CIPF and the representations and undertakings the CIPF has made to the Commission, the Commission is satisfied that the continued approval of the CIPF would not be prejudicial to the public interest;

The Commission grants and continues the approval of the CIPF as a compensation fund pursuant to subsection 27(1) of the General Securities Rules (Approval Order), subject to the terms and conditions set out in Schedule A, the reporting requirements in Schedule B and the applicable provisions of the MOU between the CIPF's regulators (Regulators), as amended from time to time.

DATED at Halifax, Nova Scotia, effective September 11, 2002, as amended on September 30, 2008, and varied and restated on December 23, 2020 to be effective on January 1, 2021.

NOVA SCOTIA SECURITIES COMMISSION

Schedule A -- Terms and Conditions

1 Authority and Purpose

The CIPF has, and must continue to have, the appropriate authority and capacity to carry out the CIPF Mandate.

2 Approval of Amendments

- (a) Prior Commission approval is required for any amendment to the following:
 - (i) the CIPF's Coverage Policies; or
 - (ii) the CIPF's by-laws.
- (b) Prior Commission approval is required for any material change to the Industry Agreement. A material change is one that directly affects the CIPF Mandate.
- (c) When seeking approval of amendments pursuant to (a) and (b) above, the CIPF must comply with the processes for filing outlined in Schedule B of the MOU, as amended from time to time.

3 Corporate Governance

- (a) The board of directors for the CIPF (Board) must be selected in a fair and reasonable manner and must fairly represent the interests of all Member Firms and their Customers and properly balance the interests of Member Firms and their Customers.
- (b) The Board must be composed of an equal number of Industry Directors and Public Directors, as defined in the CIPF's By-law Number 1, together with the Chair and the President and Chief Executive Officer of the CIPF.

- (c) The CIPF's governance structure must provide for:
 - (i) fair and meaningful representation on the Board and any committees of the Board, having regard to the differing interests between Member Firms and their Customers;
 - (ii) appropriate representation of Public Directors on the CIPF committees and on any executive committee or similar body;
 - (iii) appropriate qualification, remuneration and conflict of interest provisions, and limitation of liability and indemnification protections for directors, officers and employees of the CIPF generally; and
 - (iv) an audit committee, the majority of which must be made of Public Directors.

4 Funding and Maintenance of the CIPF

- (a) The CIPF must institute a fair, transparent, and reasonable method of establishing assessments for each Member Firm's contribution (Assessment Policies). The assessments must:
 - (i) be allocated on an equitable basis among Member Firms and may be based on the amount of risk a Member Firm exposes the CIPF fund (Fund) to; and
 - (ii) balance the need for the CIPF to have sufficient revenues to satisfy claims in the event of an insolvency of a Member Firm and to have sufficient financial resources to satisfy its operations costs against the goal that there be no unreasonable financial barriers to becoming a member of an SRO.
- (b) The CIPF must make all necessary arrangements for the notification to Member Firms of the CIPF assessments and the collection of such assessments, either directly or indirectly through a Participating SRO.

- (c) The Board must determine the appropriate level of assets for the Fund. The Board will conduct an annual review of the adequacy of the level of assets, assessment amounts, and assessment methodology and will ensure that the level of assets of the Fund remains, in its opinion, adequate to cover potential claims.
- (d) Moneys in the Fund must be invested in accordance with policies, guidelines or other instruments (Investment Policies) approved by the Board, who will be responsible for regular monitoring of the investments. All moneys and securities must be held by a qualified custodian, which are those entities considered suitable to hold securities on behalf of a Member Firm, for both inventory and client positions, without capital penalty, pursuant to the bylaws, rules or regulations of the Participating SROs.
- (e) The CIPF must implement an appropriate accounting system, including a system of internal controls for maintaining CIPF assets.

5 Customer Protection

- (a) The CIPF must establish and maintain policies and procedures (Coverage Policies) which:
 - (i) provide for fair and adequate coverage, on a discretionary basis, for all Customers of Member Firms, for losses of property comprising securities, cash, and other property held by Member Firms resulting from the insolvency of a Member Firm, including criteria for who is an eligible customer;
 - (ii) include fair and reasonable procedures for assessing claims made to the CIPF. The CIPF will respond as quickly as practicable in assessing and paying claims made pursuant to those procedures; and
 - (iii) allow the CIPF to adequately disclose to Customers of Member Firms, either directly or indirectly through a Participating SRO, the principles and policies on which coverage will be available,

including, but not limited to, the process for making a claim and the maximum coverage available per Customer account.

- (b) In a case where a claim is not accepted for payment by CIPF staff or by an appointed committee, the claim may be reconsidered by an internal appeal committee if such a review is requested by a Customer of a Member Firm or by CIPF staff. The CIPF must establish within its Coverage Policies fair and reasonable internal claim review procedures for this purpose. An appeal committee will be comprised of one or more adjudicators who may or may not be directors. The Coverage Policies or other documentation must include criteria established by the Board for the selection of appeal committee members, including criteria that no director involved in the initial decision will be involved in reconsidering that decision.
- (c) The Coverage Policies must not prevent a Customer from taking legal action against the CIPF in a court of competent jurisdiction in Canada. The CIPF must not contest the jurisdiction of such a court to consider a claim where the claimant has exhausted the CIPF's internal appeals or review process.

6 Financial and Operational Viability

The CIPF must maintain adequate financial and operational resources, including adequate staff resources or external professional advisers, to permit the CIPF to:

- (a) exercise its rights and perform its duties under this Approval Order; and
- (b) review, in accordance with the Industry Agreement, the business and operations of any Member Firm, or designated groups of Member Firms, where a situation has occurred that in the opinion of the CIPF constitutes a Reportable Condition, as defined in the Industry Agreement.

7 Risk Management

- (a) The CIPF must ensure that it has policies and procedures, including a process to identify and request all necessary information from a Participating SRO, in order for the CIPF to:
 - (i) fulfill the CIPF Mandate and manage risks to the public and to CIPF assets;
 - (ii) assess whether the prudential standards and operations of the CIPF are appropriate for the coverage provided and the risk incurred by the CIPF; and
 - (iii) identify and deal with Member Firms that may be in financial difficulty.
- (b) While the CIPF may rely on IIROC to conduct reviews of Member Firms for CIPF purposes, the CIPF must reserve the right to conduct reviews of Member Firms in particular situations where the CIPF has concerns about the integrity of the Fund or possible claims.

8 Agreement between the CIPF and IIROC

The CIPF must comply with the Industry Agreement signed with IIROC and any Participating SRO.

9 Assistance to Participating SRO

The CIPF must assist a Participating SRO when a Member Firm is in or is approaching financial difficulty. Such assistance will be provided in any way the CIPF determines to be appropriate.

10 Collection of Information

The CIPF must, subject to applicable legislation, collect, use and disclose personal information only to the extent reasonably necessary to carry out the CIPF Mandate.

11 Information Sharing and Regulatory Cooperation

- (a) The CIPF must provide the Commission with reports, documents and information as the Commission or its staff may from time to time request.
- (b) The CIPF shall have mechanisms in place to enable it to share information and otherwise co-operate with the Commission.

12 Ongoing Reporting Requirements

The CIPF must comply with the reporting requirements set out in Schedule B of this Approval Order, as amended from time to time by the Commission or its staff.

Schedule B -- Reporting Requirements

1 Prior Notification

- (a) The CIPF will provide the Commission with at least 12 months' written notice prior to completing any transaction that would result in the CIPF:
 - (i) ceasing to perform its services;
 - (ii) discontinuing, suspending or winding-up all or a significant portion of its operations; or
 - (iii) disposing of all or substantially all of its assets.
- (b) In situations where, in the opinion of the CIPF, the notice period in subsection (a) is considered unreasonable, the CIPF will inform the Commission with as much advance notice as possible in the circumstances. - (c) The CIPF will immediately report to the Commission any actual or potential material adverse change in the level of the CIPF's assets, together with the CIPF's plan to deal with the situation.

3 Prompt Notification

- (a) The CIPF will provide the Commission with prompt notice of the following occurrences, and in each case describe the circumstances that gave rise to the occurrence, and the CIPF's proposed response to ensure resolution, and, if appropriate, provide timely updates:

- (b) The CIPF will prepare and provide to the Commission a report detailing any action taken by the CIPF with respect to a Member Firm. For Member Firm insolvencies, the report will describe the circumstances of the insolvency, including a summary of the actions taken by the Member Firm, the Participating SRO and the CIPF and any committee or person acting on behalf of such parties.

4 Semi-Annual Reporting

The CIPF will file on a semi-annual basis with the Commission a written report pertaining to the CIPF's operations promptly after the report is reviewed or approved by the Board, Board committees, or senior management, as the case may be, containing at a minimum the following information and documents:
