Canadian securities regulators welcome new CSSB Chair Charles-Antoine St-Jean

Montreal – The Canadian Securities Administrators (CSA) congratulate Charles-Antoine St-Jean on his appointment as the first-ever Chair of the Canadian Sustainability Standards Board of Canada (CSSB).

The CSA welcomes continued engagement with the CSSB – and the International Sustainability Standards Board – and looks forward to working with St-Jean on the development of international sustainability disclosure standards that reflect and fit the unique nature of Canada’s capital markets and provide investors with comparable, decision-useful information.

The CSA, the council of the securities regulators of Canada’s provinces and territories, coordinates and harmonizes regulation for the Canadian capital markets.
