

**CSA Staff Notice 11-330*****Notice of Local Amendments – Alberta, Manitoba, New Brunswick,  
Nova Scotia, Québec, Ontario and Saskatchewan*****June 16, 2016**

From time to time, a local jurisdiction may amend a national or multilateral instrument that affects activity only in that jurisdiction. The CSA recognize that such a local amendment may nonetheless be of interest or importance beyond the local jurisdiction and CSA staff are issuing this Notice to identify amendments implemented through a number of local amendments made in Alberta, Manitoba, New Brunswick, Nova Scotia, Ontario, Québec and Saskatchewan. For public convenience, CSA members in other jurisdictions will update the text of the applicable material on their websites to reflect these local amendments.

The local amendments referred to in this notice include those to National Instrument 45-102 *Resale of Securities* (NI 45-102) and National Instrument 45-106 *Prospectus Exemptions* (NI 45-106) to reflect the availability of new or amended prospectus exemptions in certain jurisdictions.

Annex A to this Notice identifies, and provides further information on, the relevant local amendments (as well as related changes to specified policies). The text of rule and policy consolidations on the websites of CSA members will now be updated, as necessary, to reflect these local amendments and changes.
