Introduction

The amendments to NI 55-102 and the forms (together, the SEDI instruments), are an initiative of all members of the CSA.

We published the proposed amendments to the SEDI instruments for comment on December 7, 2007. The comment period expired on February 5, 2008. We received no comments and are adopting the amendments as proposed.

Members of the CSA in the following jurisdictions have made, or expect to make, the amendments to the SEDI instruments as

- rules in each of British Columbia, Alberta, Manitoba, Ontario, Nova Scotia, New Brunswick and Newfoundland and Labrador,
- a Commission regulation in Saskatchewan,
- a regulation in Québec,
- policies in each of Prince Edward Island, the Northwest Territories and Yukon; and
- a code in Nunavut.

In British Columbia and Ontario, the implementation of the amendments to the SEDI instruments is subject to ministerial approval.

In Ontario, amendments to the SEDI instruments required to be delivered to the Minister of Finance were delivered on March 25, 2008.

In Québec, NI 55-102 is a regulation made under section 331.1 of the *Securities Act* (Québec) and the amendments to the SEDI instruments must be approved, with or without amendment, by the Minister of Finance. The amendments to the SEDI instruments will come into force on the date of their publication in the *Gazette officielle du Québec* or on any later date specified in the amending regulation.

Provided all necessary ministerial approvals are obtained, the amendments to the SEDI instruments will come into force on June 13, 2008.

Background

SEDI was launched on May 5, 2003. The CSA implemented SEDI out of a desire to make the filing of insider information easier and faster, as well as to make information from insider reports accessible to the public in real time and in an easily readable format. While SEDI has fulfilled its purpose, the CSA has received numerous complaints and suggestions from direct users of the system about the quality of its user interface.

SEDI Release 1.7.0 was implemented on October 6, 2007. This release addresses certain issues raised in the SEDI user opinion survey we conducted in 2005 and 2006. The goal of SEDI Release 1.7.0 is to improve the SEDI filing system by modifying some of the processes that filers identified as the cause of the greatest difficulties. The substance and purpose of the proposed amendments to the SEDI instruments are to complement the changes made in SEDI Release 1.7.0.

The changes to the SEDI system streamline the insider report filing process by reducing the number of screens and enhancing user navigation, eliminating the use of the insider access key for insiders who are self filers and improving the usability of the “view insider profile” screen by enhancing its visual impact and adding optional features.

Summary of changes to the SEDI instruments

Section 5.2 of NI 55-102 is amended to reflect the fact that self-filing insiders who log on to SEDI using their SEDI user ID and password will no longer have to also input their access key, except when first linking to the insider profile created by an agent. Agents who file on behalf of an insider will still be required to input the insider’s access key.

Item 7 of Form 55-102F1 is amended to reflect the requirements under the laws of New Brunswick on the choice of language of correspondence.

Item 3 of Form 55-102F2 is amended to reflect the fact that when necessary, a filer will need to click on the left-hand tool bar item labeled “Amend insider profile” on the screen entitled “Amend insider profile” whereas the instructions in current Form 55-102F2 are to click on “Amend”.

Item 4 of Form 55-102F2 is amended to provide filers with the option of viewing an issuer event report by selecting the “View issuer event reports” feature on the screen entitled “File insider report (Form 55-102F2) – Select issuer”. The issuer event report will no longer be automatically displayed for review by the filer.

Forms 55-102F1, 55-102F2, 55-102F3 and 55-102F6 have also been amended to add references to New Brunswick and the New Brunswick Securities Commission and to update both the name of the securities regulator in Québec and the address of the Manitoba Securities Commission.

The amendments to NI 55-102 are set out in Appendix A. The amendments to Form 55-102F1 *Insider Profile*, Form 55-102F2 *Insider Report*, Form 55-102F3 *Issuer Profile Supplement* and Form 55-102F6 *Insider Report* are set out in Appendix B.

Additional Information Required in Ontario

Anticipated costs and benefits

The changes to SEDI in Release 1.7.0 are expected to benefit filers by streamlining the screen flow. We anticipate that Release 1.7.0 will result in fewer filing errors and an improved insider report filing process, resulting in reduced costs to filers. We also anticipate that the costs to the CSA associated with providing support to filers will be reduced.
